## **PERSONAL TRANSPORTATION SAFETY RULES**

These rules cover golf cart's, ATV's, home made transports, gators, motorcycles, minibikes, and all other vehicles

1. There must be a necessary reason for using the vehicle on the grounds during the show time
2. Written proof of insurance coverage should be furnished to PV. A waiver **MUST** be signed before you will be given a permit for your vehicle.
3. The permit is specific to the vehicle that it is issued for and must be visibly displayed at all times.
4. **Operators must have a valid drivers license to operate any permitted vehicle.**
5. Operators **MUST** attend a safety meeting that pertains to operating the permitted vehicle.
6. Operators must know and obey all safety rules while operating the permitted vehicle.
7. Joy riding is prohibited. Do not allow anyone to use your permitted vehicle if it is not for a specific purpose.
8. Pedestrians always have the right of way!
9. No Dirt bikes!
10. All Vehicles must have an operational muffler.
11. **No driving after 10:00pm**  
Authorized personnel only and must have adequate head and tail-lights operational and in use.

**VIOLATORS WILL BE SUBJECT TO HAVING THEIR PERSONAL VEHICLE impounded BY SECURITY. The vehicle can be reclaimed when leaving the show for the year.**

The show has seen an increasing problem with misuse of permitted vehicles. Lets all play by the rules and make our show grounds a better place for all.

### **REMEMBER**

A vehicle pass allowing you to park your vehicle inside the show grounds is NOT a permit to operate your car or pickup on the show grounds. All vehicles on the Show grounds must meet current DOT regulations and be currently licensed and insured.

**We must ALWAYS keep SAFETY the first item of our show !**
