### Great News!

Most of the buildings and displays will be open for your enjoyment during the weekend. On Saturday the steam driven carousel will run, the loom room will be open with rug making demos, the train will begin running at 2:00, and the 1878 Hotel will also be open. If your partner isn't a tractor rider, he/she will still have plenty to see and do! Church services will be held on the grounds Sunday morning.
